

BD65B In/Outdoor Speaker Set Black 150W

The BD Indoor/Outdoor Wall Mount Speaker Series are engineered and tuned to offer weatherproof construction, excellent sound quality and supreme flexibility. This Series speakers is featured with a high end two-way system; a 1" silk-dome tweeter and a polypropylene 6.5" bass/midrange driver. The low-frequency output is bolstered by the use of a rear-mounted bass radiator. These enclosures are ideal for outdoor events, swimming pools, garden areas and marine or boat use. You can mount the speakers to the wall horizontally or vertically with the included mounting kit.
