ACR-16 Soft roller case

The **ACR-16** is part of the Stackable Rolling Series, multi-purpose padded case for the entertainer on the go. This 16-inch wide bottom roller may be used together with the ATP-16 (order nr. 150.040) being the 16-inch top stacker case (sold separately) for maximum gear storage and transport into an event. Each case is made of heavy duty materials to survive life on the road, and comes with high quality wheels and pull-up handle.

Dimensions:Internal	16 x 10 x 14 inch // 410 x 255 x 360mm
----------------------------	--

- May be used together with ATP-16 (150.040 ord. nr.)
- Heavy duty design and zippers
- Quality protection for mobile lighting fixtures
- For storing extra Lamps, Clamps, Cables and other Accessories
- Include two configurable padded dividers
- Saves valuable transport space by allowing fixtures to be stacked without having to be boxed
