Matrix33 Moving Head

This Powerful 9x 15W Quad moving head creates impressive colour washer with rich, saturated tints, subtle pastel hues. It features 540° Pan and 220° Tilt. The Matrix33 is capable of DMX control in 4 different channels modes, master/slave, auto mode or stand-alone operation. It includes 9 great shows preset, strobe and dimmer functions and a built-in microphone for sound activation. The single pixel control and switchable inversion mode which rotates the moving head in opposite directions generate amazing visual effects. The Matrix33 comes with a infrared remote control.
