## Illusion II Moving Head 3 LED ring 30W Spot

Illusion II provides the essential Moving Head light show experience. Operating on DMX, sound active and auto modes which includes 3 built-in lighting shows. With 9 gobos and 9 colours (plus white) and an extremely bright 30W LED. The 3 rings with 76 LEDs have pre programmed chases which in DMX mode can be speed controlled. The Illusion II offers 12 or 23 DMX channel modes. Allow ease and flexibility in programming, as does its easy to use 4 button LCD control panel. In the menu you can set the pan rotation between 630° and 540°.
