## BWA510 Aluminum IP65 LED PAR

This Aluminum IP65 rated outdoor LED PAR features super bright RGBW color mixing thanks to its installed 14x 15W 4-in-1 LEDs. Each individual LED incorporates a red, green, blue, and white chip behind a single lens. This BeamZ Professional PAR also sports a convection cooled cast aluminum housing with watertight internal gaskets and weatherproof power and data cable in/out connections.
