## BT320 LED Flat Par 18x6W 4-in-1 RGBW

A high power parcan in ABS housing with 18x 6W RGBW (4-in-1) LEDs. Designed to be flat so it can fit in your trusses and equipped with IEC in/out for daisy chaining multiple units together. The BT320 has preset programs that can be used in stand-alone mode. In the DMX settings there is the choice of a 2,3 and 4-channel mode with preset colour macro's or a 8-channel mode where you can control every single colour individually. The same can be done in stand-alone mode with the supplied remote control. The ABS housing and double stand make the BT320 also ideal for rental features, being lightweight and easy to setup.
