LED Tape Kit 5m RGB 60 LEDs/m IP65

Bring atmospheric lighting in your home by using this simple to use adhesive 5 meter RGB LED strip. Provide your closets, kitchen, bedroom, showcase etc. with a beautiful static or colorchanging glow. The color can be set by using the remote control which also provides some built-in programs which changes the colors automatically. The LED strip contains 60 LEDs per meter which guarantees a bright and uniform light output. The kit comes complete and is ready to use. The strip is easy to customize and can be cut every 30 LEDs so it will always fit.
