## S3500 Smoke Machine DMX

The BeamZ S3500 is a durable fog machine that puts out plenty of fog right when you need it. The powerful 3500 watt fog machine includes a built-in control panel with LCD display and a wireless remote control to ensure that the fog will be released at the right moment. After the 6 minute warm-up period in cold start or 1.5 minute warm-up period in re-heat, you will be ready to release a space filling cloud of fog with a coverage volume of more than 1200m<sup>3</sup> per minute!

<b>Heating element</b>	3500W
<b>Smoke volume per minute</b>	1217m <sup>3</sup>
