

CITRONIC CQ215 2 x 15-BAND EQUALIZER cod. 170.921

The CQ215 is a 2x 15-band graphic equalizer featuring balanced XLR/6.3mm in- & output connectors. The system is simple to override via the bypass switch.

- 2 x 4 LED VU-meters
- 2x 15-band graphic equalizer
- Constant Q
- Low cut filter <40 Hz
- Ultra low noise SMT technology
- Volume controls (L/R)
- Balanced and unbalances XLR/Jack in- and outputs

| | |
|-----------------------------|------------------|
| Equalizer | +/- 12dB |
| Frequency response | 20Hz - 20kHz |
| THD | <0.01% |
| Signal to noise ratio | >85dB |
| Input impedance:Balanced | 40kOhm |
| Input impedance:Unbalanced | 20kOhm |
| Output impedance:Balanced | 102 Ohm |
| Output impedance:Unbalanced | 51 Ohm |
| Power supply | 230Vac, 50Hz |
| Dimensions | 482 x 120 x 45mm |
| Weight | 2.2kg |
