

CITRONIC AX-4 ACTIVE STEREO CROSSOVER 2-3 WAY STEREO / 4-WAY MONO cod. 170.930

Citronic AX-4 active crossover, adjustable for 2-/ 3-way stereo or 4-way mono mode. Adjustable delay to compensate for the time gap between the subwoofer and the top box. Additional 'Low' output for a subwoofer in stereo mode allows to drive an installation with 2 speakers and 2 subwoofers.

- 4-trap Butterworth filters of 18dB/oct.
- Phase correction
- Low cut filter at <40Hz
- Adjustable crossover frequency
- Balanced XLR in-/output connectors
- SMT technology
- Subwoofer output in stereo mode
- Adjustable delay
- 2- or 3-way stereo or 4-way mono crossover

Frequency response	20Hz - 20kHz
THD	<0.04%
Signal to noise ratio	>93dB
Input impedance:Balanced	50kOhm
Input impedance:Unbalanced	25kOhm
Output impedance:Balanced	102 Ohm
Output impedance:Unbalanced	51 Ohm
Power supply	230Vac, 50Hz
Dimensions	482 x 150 x 45mm
Weight	2.5kg
