

Power Dynamics Speaker 80kg

SRP: €53.00

SKU: 180.191

EAN: 8715693271812

Details

This solid metal speaker stand is strong and suitable for bearing (PA) speakers up to 80kg. The legs provide stability and due to the height adjustment speakers are effortless to place. The minimum height is 123cm and the maximum is 205cm. Due to the 35mm diameter pipe the stand is widely usable.

- Sturdy speaker stand
- Metal construction
- Stable and foldable legs
