

16.5cm (6.5") DUAL VOICE COIL CEILING SPEAKER WITH DUAL TWEETERS

A ceiling mount speaker that provides both left and right stereo channels from a single point, whilst maintaining channel separation. The speaker has dual mylar dome tweeters combined with a dual voice coil, polypropylene woofer to deliver a full, rich sound. Ideal for installation in small rooms.

- Stereo 2-way easy fit ceiling speaker with "Dog Ear" mounts
- Dual mylar dome tweeters for separation and clarity
- Dual voice coil polypropylene woofer with rubber surround
- Gold-plated spring terminals
- White ABS frame with steel grille
